LODGE & CURIO SHOP
LOOK BOOK

Catalogue

Harrison Lee & Co offer a range of luxury travel goods & accessories..

We specialise in leather goods, fabric & leather combination bags & custom made goods. We try, to the best of our ability, to use as many South African made fabrics, leathers & hardware wherever we can, so the end product is proudly made & designed in South Africa.

Harrison Lee offers lodges, bush camps & curio shops an exclusive range designed just for you & your clientele. Our prices are standard, and your markup can be set at your discretion.

We also offer an option to add your branding / lodge name to the bags alongside our own.

I am always available for a chat and love a good collaboration. Should you have any specific items or designs in mind, please do reach out.

Please note, some of the fabrics change from time to time depending on availability & not all colours have been displayed in this catalogue. There are always alternative fabrics to be sourced.
